## Recorded Earmarks of Cattle

The early settlers in Berkley, as in other colonial towns, were cattle owners and built stone walls to keep them near home, but of course many strayed away; the ownership of cattle was made known by the use of earmarks which were recorded with the town clerk, no duplication being allowed. Following are some of the earmarks thus recorded, taking a page at random.

the mark of jacobb french of Berkley of all his Creatures which is a Slit gn Both ears one half penny uppon the under side of the Right Ear. Recorded the 2 day of aprill 1735/6 pur me abel Burt towne clerk

the mark of Christopher pall of all his creatures 2 half pennies gn the under side the left ear and one gn ye upper side of the same Eare Recorded the 2 dy of aprill 1735 pur me abel Burt town clerk

timothy caswells marks of all his creatures, a half penny gn th under Side of both Ears Recorded may 16 1737 this mark is Transferrd to abal farranton

the mark of jacobb Caswells creatures a hold through both Ears Recorded may the 16th Day 1737

John paulls Eare mark of all his Creatures is a half penny in ye fore Side of ye right eare recorded may ye 8 day in ye yeare 1742

Benajah babbits Eare mark of all his Creatures is a Crop of Each eare and a half penny in ye under side of Each eare Recorded March ye 7th 1742/3

Jacobb Briggs mark the mark of all the Creatures of Jacobb Briggs of Berkley which gs 2 half Crops on the upper Side of the Ear and a Slit gn the middle of the upper side of the Right Ear Recorded aprill ye 17 dy 1736

The mark of John Omey's Creatures; A Crop of Each Ear, and a Slit gn Each Ear: Recorded march ye 8th 1747/8 a true record attest Ebr Winslow Town Clerk.

The Artifitial Mark of Shedrick Hoskins's Creturs, is a followeth: a Crop of the Left Ear and slit in ye same and a halfe Crop in ye under-Side of the right Ear. Recorded Septembr ye: 6th: 1748 Ebr Winslow Town Clerk

A true copy, Attest: Francis F. G. Andrews, Town Clerk

32.1 Plumbing Inspector's Expense	1,500.00
1.1 Selectmen's Clerical	550.00

**Article 3.** Voted unanimously: To appropriate and transfer from Free Cash the sum of \$15,155.00 to purchase a new police cruiser and equipment.

**Article 4.** Voted unanimously: To appropriate and transfer from Free Cash \$9,800.00 to pay Berkley's share of a new radio repeater and associated equipment for the Police Department.

**Article 5.** Voted unanimously: To accept the provisions of Massachusetts General Laws, Chapter 32B, Section 7A, which authorizes the Town, in addition to the payment of 50% of a premium for contributory group life and health insurance for employees in the service of the Town and their dependents, to pay a subsidiary or additional rate.

**Article 6.** Voted unanimously: To appropriate and transfer from Free Cash \$3,750.00 to raise to 60% the Town's payment of the premium for contributory life and health insurance for the employees in the service of the Town and their dependents retroactive to July 1st.

**Article 7.** Tabled: To see if the Town will offer a Dental Protection Plan to Town employees.

**Article 8.** Voted: To authorize the Selectmen to transfer by deed a surplus parcel of land on the southerly side of Padelford Street and Easterly corner of Parcel 62, Assessor's Map number 16, with the recipient to pay all legal and engineering costs.

**Article 9.** Voted unanimously: To authorize the Selectmen to transfer by deed a surplus parcel of land on the Northerly side of North Main Street and abutting lots 49 and 50 on Assessor's Map number 2.

**Article 10.** Voted unanimously: To move that the Town accept the provisions of Massachusetts General Laws, Chapter 41, Section 38A authorizing the Collector of Taxes to act as Town Collector and defining the powers of Town Collector.

**Article 11.** Voted unanimously: To amend Article 4, Section 10, of the Town By-Laws as follows:

Section 10. All fees collected by any Officers or agents of the Town shall be paid to the Town Treasurer with an accounting made thereof and a suitable receipt shall be furnished said Officer or agent for said fee or fees by the Treasurer or Assistant Treasurer.

**Article 12.** Voted: The Town adopt the following By-Law:

### **Article 16**

Street numbers shall be provided for each dwelling and each business, industrial, and other building in the Town of Berkley by the owner of such structures by ninety (90) days after approval by the Attorney General in accordance with the following:

1. The numbers shall be made of permanent weatherproof material, shall be at least three (3) inches in height and shall be clearly visible from the street or roadway upon which the dwelling or building fronts.
2. The numbers shall be placed on each structure or on a suitable support near the main entrance to the structure so as to be visible.
3. The numbers shall be those assigned to each structure in accordance with the street numbering survey completed by the Board of Assessors on file in the office of the Assessors.
4. New Buildings.  
The owner of any property seeking a building permit for a new building or structure shall apply for and receive a building number designation from the Board of Assessors or their designate prior to submitting application to the Building official for a permit, and no building permit shall be issued without a designation of such building number.
5. It shall be the responsibility of each property owner in the Town to obtain a number assigned to his affected structure or structures within three (3) months of the effective date of this By-Law.
6. This By-Law shall be enforced by the Board of Selectmen of the Town of Berkley either directly or through an inspector to be appointed by them. Failure to comply with this By-Law shall subject the offending property owner to a fine not exceeding ten (\$10) dollars.

**Article 13.** Voted: To authorize the Selectmen to acquire a parcel of land adjacent to the Berkley Middle School property as shown on Assessor's Map number 4, lot 66, for school purposes by purchase and/or by gift.

**Article 14.** Tabled: Allow the Town to adopt Chapter 90, Section 20A 1/2 of Massachusetts General Laws relative to a Parking Clerk and the enforcement and collection of parking fines.

**Article 15.** Voted unanimously: To amend Article 4, Section 3 of the Town By-Laws by deleting the present Section 3 and inserting in its place the following:

Section 3. The Board of Selectmen shall appoint a Police Chief, Constables, Police Officers, and as many other town officials as deemed necessary to terms as prescribed by Massachusetts General Laws.

**Article 16.** Voted unanimously: To appropriate and transfer from Free Cash three thousand (\$3,000.00) dollars for funding of the new medicare tax under the Consolidated Omnibus Budget Reconciliation Act of 1985.

**Article 17.** Voted: To appropriate and transfer from Free Cash two thousand (\$2,000) dollars for the Library Department.

**Article 18.** Voted unanimously: To appropriate and transfer from Surplus Revenue Account the sum of three thousand (\$3,000) dollars into the Traffic Control Account.

**Article 19.** Voted unanimously: To transfer from the Road Machinery Fund the sum of four thousand (\$4,000) dollars into the Highway Equipment Account.

**Article 20.** Voted unanimously: To transfer from the Gravel Removal Deposit Account the sum of fifteen thousand (\$15,000) dollars into the Road Maintenance Account for the use of resurfacing to Town roads.

**Article 21.** Voted unanimously: To appropriate and transfer from Surplus Revenue Account the sum of three thousand (\$3,000) dollars into the Road Machinery Account.

**Article 22.** Voted unanimously: To appropriate and transfer from Surplus Revenue Account the sum of seven thousand five hundred (\$7,500) dollars into the Road Maintenance Account to be used for hiring one more full-time man.

**NOTES TO FINANCIAL STATEMENTS****Year ended June 30, 1985**

Excerpts from Reports of Certified Public Accountants

**Note 1. Summary of Significant Accounting Policies**

The accompanying combined financial statements present the financial position of the Town of Berkley at June 30, 1985, and the results of its operations for the year then ended.

The town maintains its accounting records in accordance with practices prescribed by the Uniform Municipal Accounting System promulgated by the Commonwealth of Massachusetts, Department of Revenue. The accounting requirements of this system differ in some respects from accounting practices prescribed by generally accepted accounting principles. Certain adjustments and reclassifications have been made to present the accompanying financial statements in accordance with generally accepted accounting principles except for two principal differences. These differences relate to the accounting for fixed assets and pension costs as described hereinafter. The following is a summary of significant accounting policies reflected in the accompanying financial statements.

**Description of Funds** — Financial transactions of the Town are classified in the following funds for combined financial statement presentation:

General Fund accounts for all transactions not accounted for in other funds.

Special Revenue Funds account for proceeds of specific revenue sources restricted by law or administrative action for specified purposes (other than those sources related to major special projects, special assessments or trusts).

Capital Projects Fund accounts for all long-term debt, if any, of the Town to be repaid in future years.

Trust and Agency Funds account for the Town's stabilization fund and assets held by the Town as trustee or agent for individuals, private organizations, other governmental units and/or other funds.

**Basis of Accounting** — The accompanying financial statements have been prepared principally on the modified accrual basis of accounting which recognizes revenue when measurable and available and expenses when the related liabilities are incurred.

**Revenue Recognition** — Real estate and personal property tax levies are recorded as revenue when committed for collection. A reserve for estimated abatements and exemptions, called an overlay reserve, is provided for in the tax levy. The balance of this reserve has been classified as an allowance for uncollectible accounts in the accompanying combined financial statements. No provision is made for other possible uncollectible taxes. All other revenues are recognized when cash is constructively received. Accounts receivable balances, other than net real estate and personal property taxes receivable are offset by a reserve entitled “Revenue Deferred Until Collected” in the accompanying combined balance sheet.

Expenditures are recorded throughout the year on the basis of cash disbursements. In addition, as allowed by the Massachusetts General Laws, disbursements made during the fifteen days following the close of each fiscal year which are related to the prior year are classified as expenditures and warrants payable at June 30. Teachers’ payroll earned but unpaid at June 30 is included in warrants payable at June 30.

Inventories are considered to be expenditures at the time of receipt and payment.

**Fixed Assets** — Disbursements related to the acquisition of fixed assets are considered expenditures in the year payments are made. The uniform system does not provide for capitalizing such expenditures and does not require the Town to maintain historical records of its fixed assets. Accordingly, a statement of general fixed assets is not included in the accompanying financial statements.

**Long-Term Debt** — All long-term debt is recorded in the long-term debt accounts. Interest on long-term debt is recognized when payable. Debt service (payment of principal and interest) is funded through the General Fund.

**Appropriated Fund Balance** — The appropriated portion of fund balances consists, principally, of the balance of appropriations for capital expenditures and longer term projects which are continued until completion of the authorized project.

**Note 2. General Fund Balances**

General fund balances in the accompanying financial statements consist of the following components:

	<b>Balances at June 30</b>	
	<b>1985</b>	<b>1984</b>
Appropriated	\$283,486	\$260,075
Reserved for designated purposes:		
Overlay surplus	30,809	32,434
Unreserved:		
Surplus revenue	255,294	151,725
State and County assessments - net	2	1,035
Overdrafts:		
Court judgment		( 618)
Public liability insurance	( 3,843)	
Group insurance	( 376)	( 653)
Board of health salaries	( 664)	
Police department expense		( 179)
Council on Aging	( 24)	
	<hr/>	<hr/>
Total overdrafts	( 4,097)	( 1,450)
	<hr/>	<hr/>
	250,389	151,310
	<hr/>	<hr/>
General fund balances	<u>\$564,684</u>	<u>\$443,819</u>

**Note 3. Budgeted Expenditures for the 1986 Fiscal Year**

Expenditures budgeted by Town Meeting action for Fiscal 1985 totaled \$2,129,097 at June 30, 1985.

Of this amount, \$58,500 was appropriated from stabilization fund, \$45,000 from Revenue Sharing Fund, and \$23,000 from other available funds. Consistent with prior year's practice, fiscal 1986 appropriations funded from existing funds will be recorded as appropriated in fiscal 1986.

Remaining budgeted expenditures of \$2,002,597 are to be funded by the fiscal 1986 tax rate, 1986 estimated receipts, and by available funds to the extent approved by subsequent town meeting action.

**Note 4. Pension Plans**

Teachers and certain administrative employees of the town's school department participate in a contributory retirement system administered by the Massachusetts Teachers' Retirement Board. The town does not contribute to this plan.

Substantially, all other town employees are members of the Bristol County Retirement System. Under the provisions of this retirement plan, employees contribute certain percentages of their pay and are eligible for retirement benefits after meeting the required age in service criteria. In addition, the town contributes to the system an annual amount as directed by the State Division of Public Employee Retirement Administration, primarily on the basis of projected annual benefits (pay-as-you-go). This "pay as you go" method does not provide for funding of accrued pension liabilities. The town contribution to the plan totaled \$25,565 for the year ended June 30, 1985.

Under generally accepted accounting principles, the annual minimum provision for pension cost should include normal cost, interest on unfunded past service cost liability and amortization of unfunded vested benefits for participants in the pension plan. The amount of unfunded pension liability of the Bristol County Retirement System is determined periodically. The last actuarial valuation was prepared by William M. Mercer, Inc. as of January 1, 1983 and showed the town's present value of accumulated plan benefits at \$209,241 including \$205,503 vested. Net assets of the plan applicable to the town were \$72,429 leaving an unfunded value of accumulated plan benefits at that date of \$136,812.

**Note 5. Stabilization Fund**

Changes in the stabilization fund for the year ended June 30, 1985 were as follows:

Fund balance at beginning of year	\$289,184
Interest income	29,007
Appropriated from General Fund	20,000
Unexpended appropriation returned	272
Fund balance at end of year	\$338,463

To the Honorable Board of Selectmen  
Berkley, Massachusetts

Our examination of the financial statements of the town of Berkley, Massachusetts, for the year ended June 30, 1985, was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The accompanying financial information, listed as supplementary information in the index, is presented for purposes of additional analysis and is not a required part of the combined financial statements of the town of Berkley, Massachusetts. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Malone & Tandler

Brewster, Massachusetts  
April 3, 1986

	6:00 - 8:00 p.m.
Friday:	10:30 a.m. - 3:00 p.m.
Saturday:	9:00 a.m. - Noon

\*Tuesday hours were added on November 18, 1986.

### Summer Library Hours beginning June 26 and ending on Labor Day:

Monday:	7:00 - 9:00 p.m.
Thursday:	5:00 - 8:00 p.m.
Friday:	Noon - 3:00 p.m.
Saturday:	9:00 a.m. - Noon

### New Acquisitions for 1986:

Books — Adult	59
Juvenile	207
Cassette and Books	20
Filmstrips	8
Reference	9
	<hr/>
	303

594 books were withdrawn from the collection.

### Total number of library holdings as of December 31, 1986.

Book volumes	12,043
Filmstrips	27
Cassettes and books	32
Framed art prints	7
Records	65
	<hr/>
	12,174

\*\*Adult Paperbacks 318

\*\*Adult paperbacks are gifts and have a short shelf life. Therefore, they are not included in the total number of library holdings.

Total books circulated in 1986 .....	6498
Books loaned to Myricks Senior Citizens .....	18

### New Programs

1. Tuesday morning coffee hours began on November 18, 1986.
2. Story hours are held for the children from the First Step Pre-School.
3. A Christmas decorating party was held in December.

### Continuing Programs

1. Story hours are held at the library for the children at the Canuel Primary School. Children may select books to bring home.

### Goals Achieved

1. Fall installation of the Book Drop which was purchased by the Friends of the Library.
2. Weeding of old books continued.

### Goals for 1987

1. To increase the library's hours for the convenience of patrons.
2. To provide programs which will appeal to various age groups:
  - A. Preschool to third grade story hours on Saturday mornings.
  - B. Programs for 4th - 8th graders.
  - C. Addition of special programs to the Tuesday morning coffee hours for adults.
  - D. Special programs during school vacations.
  - E. Summer reading program for children.
3. To take an inventory of the library's holdings before further weeding is done.
4. To catalog and shelve books that have been previously purchased.
5. To initiate a videotape collection.
6. To work closely with the Friends of the Library in an effort to accomplish mutual goals for the benefit of the library and its patrons.

Respectfully submitted,  
Elaine F. Jackson,  
Interim Librarian

## ANNUAL REPORT OF THE COUNCIL ON AGING

To The Board of Selectmen:

The Berkley Council On Aging was established by vote at the annual town meeting on March 8, 1973 in accordance with the provisions of Chapter 40, Section 8B of the General Laws of the Commonwealth to carry out programs designed to meet the problems and needs of the elderly in Berkley, and in cooperation with the programs of the Executive Office of Elderly Affairs in the Commonwealth of Massachusetts.

We have continued to sponsor the following programs:

1. One free flu shot clinic.
2. Ten full days Health Counseling Sessions (once a month except July and August). A nurse from the Taunton Visiting Nurses Association, Inc. checks blood pressure, urine for diabetes, weights, and answers any health questions. The health sessions are held from 9 a.m. to 2 p.m. on the 4th Tuesday of the month.
3. Sponsored a conference to test blood for anemia and sugar diabetes.
4. Continued to provide and distribute Identification Discount cards.
5. Participation with the Bristol County Home Health Care Corp., bringing home care to the elderly, such services including homemaking, chore services, Medivan transportation for chronic and long-term medical problems. Information on legal services is also available.
6. Continue to help individual seniors with special needs.
7. A branch of the Berkley Library is now located at the Senior Center. A good selection of books that are considered interesting for the elderly may be borrowed at any time when the Senior Center is open. The Senior Center is located adjacent to the Myricks Methodist Church at 93 Myricks Street.
8. The Berkley Happy Hearts Senior Club meet at the center every Monday at 1:30 p.m. The Berkley Historical Society meet at the center once a month and the Book Club meet at the center several times during the year.

We are continuing to sponsor the federal surplus food program monthly and as we are a member of the Rhode Island Food Bank we have been purchasing other commodities to supplement this program. We feel this is a vital and necessary program to our community. We have been averaging service to approximately 140 families. All families gross income must meet the current fuel assistance program income range No. 2 and the current federal guidelines under which others may comply.

We are represented on the Board of Directors and the Advisory Board of the Bristol Home Health Care Corp.

Our senior aide, Mrs. Anita Laffan, was transferred to another program leaving us with no one to man the Senior Center from 12 noon to 4 p.m.

We were happy to participate in the 250th parade.

Our Senior Center is now tied into cable TV.

This year the Senior Center participated in the fuel application program. The Center was open on scheduled dates and assistance was given to all those who requested it.

A shopping trip to Swansea Mall was sponsored in December and a catered luncheon was held in June.

We would like to thank the School Department and faculty for the lovely Christmas dinner. It was greatly appreciated by all those attending.

We would also like to thank the Highway Department and Civil Defense for their cooperation in helping us in our food distribution program. Without their help it would be very difficult for us to sponsor this program.

Respectfully submitted,  
Madelyn A. Scott, Chairman  
Johnny Pontes, Vice Chairman  
Isabell Rogers, Secretary  
Bernice S. Pierce, Treasurer  
Verna Ashley  
Helen Craven  
Arlene Whittaker

**BRISTOL-PLYMOUTH  
REGIONAL TECHNICAL SCHOOL  
ANNUAL REPORT — 1986**

I hereby submit my Tenth Annual Report to the citizens of Bristol-Plymouth Regional School District. The School Committee representing the District is comprised of the following people:

Mr. Norman McMann, Chairman	Taunton
Mr. Robert S. Stone, Vice-Chairman	Bridgewater
Mr. Thomas Fernandes	Berkley
Mr. Larry Wells	Middleboro
Mrs. Catherine Williams	Raynham
Mr. Peter Wasylow	Taunton

The 1986 school year at Bristol-Plymouth was another successful one. This success was due to a great extent from the support of the city and towns which represent the district. The school as usual operated under maximum enrollment of 775 high school students.

Forty-six percent of the Senior class participated in the cooperative program at the school and ninety-four percent of our graduates were placed in a job situation at the conclusion of their educational requirements.

The school continues to receive extensive support from the Division of Occupational Education and the total budget was reduced by \$3,193,707 from money received from the State reimbursement. This has been of great value in maintaining the high standards of the school.

The parents of Bristol-Plymouth students should be recognized for their untiring efforts and cooperation in supporting the progress of the school. They, the members of the Advisory Board, School Committee and interested citizens of the community make Bristol-Plymouth an outstanding vocational high school in the Commonwealth of Massachusetts.

Respectfully submitted,  
Daniel J. Saunders  
Superintendent - Director

## INDUSTRIAL DEVELOPMENT COMMISSION OF BERKLEY, MASSACHUSETTS ANNUAL REPORT

The year 1986 was a good year for our town and for everyone. Inflation and interest rates were down and the economy was good and growth was steady.

We, the Commission members, consisting of Calvin Overlock, Richard Oakes, Benjamin Rose and Edmond B. St. Yves, predict that the economic growth will persist through the year 1987 with a moderate but steady upswing.

During the year, a special license was issued to William L. Cassel D/B/A/ Cassel's Country Store, 130 Myricks Street, for an expansion of his store for the purpose of selling packaged goods, namely, wine and malt beverages.

Also, a special permit issued to Herman Lopez D/B/A/ J. R. Auto Reconditioning located at 39 Porter Street, consists of washing, polishing and waxing automobiles.

Several other licenses (permits) were issued during 1986 for new businesses and expansions and are listed as follows:

- Randy Antonelli, 20 Anthony Street — Sale of firearms by telephone and catalog.
- St. Yves Motor Sales, Inc., County Street — Erection of new automobile facility.
- Steven & Mary Maden, 1 Macomber Street — Antique Store.
- Jeannette Choate, 606 Berkley Street — Craft Shop
- New Bedford Cellular Telephone Company, Bryant Street — permit to erect a 190 foot tower.
- Gilbert S. Rapoza, 80 Bay View Ave. — Variety Store
- John Tibbetts, 82 Myricks Street — Preparation and Wholesaling of stuffed quohogs

The establishment of small business is the best way for job employment and economic growth; therefore, the Commissioners welcome the new businesses and wish them success in their new ventures.

Respectfully submitted,  
Edmond B. St. Yves  
Secretary

## **TOWN OF BERKLEY ANNUAL REPORT OF THE PLANNING BOARD**

Board of Selectmen  
Town of Berkley  
North Main Street  
Berkley, MA 02780

Gentlemen:

Below is the annual report of the Planning Board:

### **1986 Annual Report**

In 1986, the Town responded to the continued growth we have seen by approving a Master Plan Study which the Planning Board had recommended. IEP, Inc. of Northboro was hired to undertake the study. The first phase involved the collection of data about the town. Questionnaires were sent to all Berkley residents and meetings were held with town boards. Recommendations will be forthcoming before June, 1987.

It was a year of continued growth, but the extent of the growth stopped short of the predictions made by the Planning Board. Several subdivisions which the Board had anticipated would be completed in 1986 will instead reach completion in 1987. Most of the impact of the building boom will be felt in the Bayview Avenue area, where six subdivisions are in various stages of development. We anticipate at least 50 new homes during 1987 in the three subdivisions on Bayview Avenue which have already submitted their definitive plans.

The creation of new house lots remained high, with 163 new house lots being created in 1986, second only to the 1985 total of 191. The potential for new residential construction, therefore, remains quite high. Also, subdivisions will continue to be developed, seven (7) preliminary plans having been submitted in 1986.

The Planning Board instituted a fee schedule for services during the year: Form A Lots — \$30, Preliminary Plans — \$30, Definitive Plans — \$30 per lot and deposits of \$2 per linear foot of roadway and \$85 for mail and ads, and all printed materials — \$0.45 per page. During the year the Board collected \$5,145.88 in fees and \$20,135 in deposits.

We anticipate continued rapid growth and hope the townspeople will support the recommendations of the Master Plan Study. Meetings are held in the Old Town Hall on the first Monday of the month at 7:30 P.M. and the Planning Board office in the Old Town Hall is also open every Saturday from 9:00 to 10:00 A.M.

Respectfully submitted,  
The Berkley Planning Board  
Telephone (617) 822-5977  
Ken Woodward, Chairman  
Ann Fournier, Clerk  
Happy Bourque  
Robert Flavin

**ANNUAL REPORT  
of the  
PLUMBING AND GAS INSPECTOR  
FOR THE YEAR 1986**

To the Citizens of the Town of Berkley:

As the Plumbing and Gas Inspector, I inspected 116 plumbing installations and 22 gas installations in the Town of Berkley. This is an increase of 48 plumbing and 8 gas inspections over 1985.

The income from the permits was \$2,493.00. The inspector received \$2,278.20, leaving a balance of \$214.80 for printing and mailing costs.

The inspections were carried out with no problems or complaints.

I would like to take this opportunity to thank the members of the Board of Health and the building inspector, Mr. Frank Wallace, for their cooperation in assisting me to do my job.

Respectfully submitted,  
Donald E. French  
Plumbing and Gas Inspector  
Town of Berkley

**TOWN OF BERKLEY  
REPORT OF THE DOG OFFICER  
1986**

The Berkley Dog Officer has answered 313 calls during 1986. I am on call twenty-four hours a day and I'm almost always available to answer calls during the day and evening. I have asked for the assistance of the Taunton Dog Officer on a few calls and have helped him in his city when help was needed.

People who own dogs should remember that even though there is no "Leash Law" in Berkley, it is the dog owner's responsibility to license the dog each year. Licenses are due on April 1 of each year and are good for one year. You can get your dog license at the Town Clerk's office. It is also the responsibility of the dog owner to control or restrain his dog so that the animal does not become a nuisance or threat to others.

According to records at the Police Department, I have answered the following calls:

Dog Complaints and Investigations	249
Stray or Lost Horses	20
Stray or Lost Cows	10
Cats (Lost or Killed)	21
Miscellaneous Domestic Animals	7
Wild Animals and Birds	6

Respectfully submitted,  
Michael J. Flint  
Dog Officer, Town of Berkley

**FINANCE COMMITTEE**  
**Annual Report Fiscal Year — 1986**

The Finance Committee serves the taxpayers of Berkley on an advisory basis. It is our responsibility to review all expenditure requests and to advise Berkley residents accordingly. There are nine members on the committee that are appointed to rotating three year terms.

During the past year, the expansion of the Berkley Middle School was the major fiscal challenge faced by the Town. Approval of this project by the residents of Berkley indicates the Town's ability to respond to the needs and demands of our future.

The substantial increase in construction of new homes in our community will continue to place increased demands on all departments within the Town. We will continue to strive to provide maximum services possible, in spite of the limitations imposed upon us by Proposition 2½. Your personal involvement in town government is critical to the future success of the Town of Berkley.

Respectfully submitted,  
Lawrence T. Wilson, Jr., Chairman  
Kenneth H. Combs  
Anne Petit, Vice Chairman  
Mark N. Pettey, Jr.  
John C. Holland, Clerk  
Merle D. Stetson  
William Kelley  
Grace (Lopes) Combs

## **REPORT OF THE BERKLEY ARTS LOTTERY COUNCIL FOR 1986**

The Berkley Arts Lottery Council met twice in 1986 to disperse money granted by the Massachusetts Art Lottery Council. The first allotment of \$750.00 was dispersed at the April 17th meeting. Those present were: Margaret Robinson, Kathleen Chester, Glenn Davis, Diana Modlowski, Bernard Desautel, Jean Carter, Susan Lopes and Marjorie Ghilarducci, Chairperson. A single grant was awarded to the Berkley Parent Teacher Organization's Enrichment Program for three programs. The amounts and performers were: \$275.00 for Chief Red Dawn and Blue Eagle, authentic Native American Folk Loris and Dancer for grades 4 - 8; \$250.00 for storyteller Tim Jennings for the grades 4 - 6 Halloween program; and \$225.00 for storyteller Susan Klein who entertained grades 4 - 6.

At the October 8th meeting those present from the committee were: Diana Modlowski, Kathleen Chester, Bernard Desautel and Susan Lopes, Chairperson. Two applications were received and grants were awarded to each. The Council awarded \$660.00 to the Berkley Parent Teacher Organization's Enrichment Program for four performances: \$280.00 for two performances by Marcia Pearlmutter, one portraying three mill girls for 8th grade students and one as Mother Goose for grades K-3; \$200.00 to Bill Meickle for a portrayal of Benjamin Franklin for grade 6; and \$180.00 to the Rhode Island Philharmonic. The second grant was to the Berkley Celebration Committee for \$225.00. They are providing two performers for Festival '87; \$100.00 for Rix Royal Circus, a one-man band and \$125.00 for Gyre & Gimble who will provide comedy and juggling that will entertain the entire family. As allowed by the Massachusetts Arts Lottery Council, the Berkley Council also allowed \$41.00 for operating expenses.

This report could not close without a word of thanks and appreciation to two council members who have served long and well. Under Massachusetts law, Council members may serve only for six consecutive years. Both Margaret Robinson and Marjorie Ghilarducci have served the Arts Council for that amount of time and had to step down. These two women have devoted many years to the advancement of the arts in Berkley. It is with warmest thanks that we bid them adieu.

Respectfully submitted,  
Susan G. Lopes  
Chairperson  
Berkley Arts Lottery Council

REPORT OF THE INSPECTOR OF BUILDINGS

Board of Selectmen  
Town of Berkley

In making my visits as Inspector of Buildings during this past year, I have found most construction work to be satisfactory and meeting with the regulations of town bylaws and the minimum standards as set forth by the Massachusetts Building Code Commission. All work found not to be in accordance with minimum standards has since been corrected and all builders are currently complying with standards of acceptance.

Records have been maintained and can be considered accurate to the best of my knowledge through December 31, 1986. A monthly report of building permits issued has been filed with the office of the Selectmen and published in local newspapers from time to time.

During the year 1986, the following permits were issued by the Inspector of Buildings:

	1983	1984	1985	1986
New Homes .....	28	46	79	99
Additions .....	13	10	18	12
Renovations, Reconstruction ...	12	11	5	14
Decks, Porches .....	0	9	8	15
Garages .....	10	9	14	11
Barns, Sheds, Miscellaneous Structures ...	27	12	26	37
Chimneys, Fireplaces, Solid Fuel .....	29	42	72	104
Swimming Pools .....	1	3	11	11
Solar Installation .....	1	0	1	0
Demolition and Razing .....	6	3	2	7
Temporary Trailer .....	3	6	4	6
Trailer Replacement .....	1	0	1	3
Commercial Buildings .....	0	0	2	7
Well Construction .....	24	45	81	98
Total Permits Issued .....	155	200	324	424

As seen by the number of permits issued over the past four years, there continues to be a large increase in building activity of all kinds throughout the town. Based upon 1986 housing starts in comparison to available house lots, it is likely that 1987 will see the construction of

more than 125 new homes. In an attempt to provide inspection services without increasing the cost of the building department, Berkley residents should become aware of the following information:

- a. Allow a minimum of two days notice when requesting inspections. Experienced contractors and builders usually allow 5-7 days so they will not be delayed in their work because appointment times have already been scheduled for others.
- b. Allow a minimum of two weeks for the processing of all building permit applications. Federal and state agencies are requiring more time consuming review for compliance with regulatory statutes for the protection of the consumer.
- c. A simplified version of state and local building code requirements is available to residents of the town and other interested parties at a nominal cost. This version is not intended to be complete, but only to indicate basic requirements and general procedures necessary to follow when applying for and receiving building permits for various purposes.
- d. Regular office hours of the Inspector of Buildings are held in the basement of the Edward G. Canuel Primary School on the first and third Thursdays, 8:00 P.M., and the second and fourth Saturdays, 8:30 A.M., of each month. Other appointments may be arranged at mutual convenience by calling 822-9603 and leaving a message with the answering service provided at that number.

Once again, I would like to thank the various boards and individuals for their assistance in carrying out the duties of this office, especially the Board of Health, the Treasurer, the Town Clerk, and the Board of Selectmen.

Respectfully submitted,  
Frank Wallace  
Inspector of Buildings

## TOWN OF BERKLEY PUBLIC LIBRARY

The Board of Trustees of the Berkley Public Library hereby submits its annual report to the townspeople of Berkley.

The library is a valuable asset to the town and should be thought of as such. Keeping this in mind, the Board of Trustees has worked very hard this year to address the changing needs of the town by expanding library services and making them more relevant.

In 1986, the Board of Trustees established a valuable working relationship with Ms. Marcia Shannon, the Massachusetts Library Trustees Association's liaison to the Board of Library Commissioners. With her advice and direction we began working on a process based on "The Options for Small Public Libraries" which is a guidance tool for future planning. As a result we were able to update our materials selection policy and formulate a questionnaire which was circulated to residents to further aid us in planning for the future.

We were pleased to be able to open the library for 21 hours per week this past year, an increase of three hours. This schedule will be maintained year round, closing only for the first two weeks in July for vacation. We are hoping to add even more hours this year.

Tuesday morning Coffee Hours, (9 - 12), have become popular as one of our new programs. We invite all residents to drop in for good coffee, good conversation and good books. From time to time we have also included craft demonstrations and are planning other programs of special interest.

The overwhelming response to the Saturday morning "Children's Story Hour" which features a movie, a story and a related craft has made us realize the need for more library hours and **more space!**

In December, the town's Celebrations Committee decorated the trees in front of the library, and in keepig with the holiday spirit, the library hosted an old fashioned tree-trimming party. This featured Christmas music, stories and refreshments. This was attended by over forty children and adults — this despite the first heavy snowfall of the season!

The library continues to serve the school children in grades K-3 on a weekly basis and plans are being made to include programs for grades 4-8. For the past several months we have enjoyed providing additional story hours for local nursery schools as well.

The library is a member of the Eastern Regional Library System and as such enjoys the privilege of using the Inter-Library Loan System. This enables our patrons to obtain books and materials not available in our library from other libraries in the Eastern Region.

Video cassettes are now available for loan to cardholders for a period of two days. We have started this collection with selections of children's stories, old movie classics and educational films. We are also pleased to have a very special video of the activities that took place during Berkley's 250th celebration. This was made and presented to us by Berkley resident and R.I.S.D. graduate, David Ennis.

Improvements to the building this year included the addition of several long-needed electrical outlets and the cleaning and repointing of the chimney. Work has also been started on the repair of the windows.

Purchases made with State Aid monies included an electronic typewriter, a card catalog and chairs for the children's room and additional reference materials.

We wish to thank the Friends of the Library for their continued support. Thanks to their efforts, a book drop was installed at the rear of the library for the convenience of library patrons. In addition, several members have given us many hours of help during coffee hours, story hours and inventory days.

We were pleased to add Elaine Jackson to our staff in November. In addition to being a dynamic and creative person, Elaine is certified in Elementary Education and is currently enrolled in a graduate program at Bridgewater State College to obtain certification as a Unified Media Specialist and a Masters of Education in School Librarianship. We feel fortunate to have such a knowledgeable and experienced person as our librarian.

We continue to share a portion of the basement with Town Clerk Francis Andrews, and we wish to thank him for tolerating the noise, cramped space and erratic heating system!

We wish to also take this opportunity to thank Doris Caron for fifteen years of dedicated service as assistant librarian and janitress. Her knowledge of the library and its materials have been a tremendous help to all of us.

Last, but by no means least, we wish to thank you, the citizens of Berkley, who have supported our endeavors. It has been a pleasure to serve you.

Respectfully submitted,  
Irene M. Viera, Chairman  
Carla V. R. Lyman, Secretary  
June F. Moskal, Member

## **DEPARTMENT OF CIVIL DEFENSE ANNUAL REPORT — 1986**

To the Residents of Berkley:

This past year has been one of small crises here and there for the people of this town. We have tried to meet the needs as the occasion has arisen.

We have kept up the training sessions for our people. We try to work with the Police and Fire Departments in assisting them when they have called upon us for help.

We are still working with the Council on Aging in transporting the food stuff from the Brockton warehouse. Highway Surveyor Raymond Rose and his crew have also worked very hard in assisting with the transportation for the Council of Aging food stuff from other areas. Without his help the distribution of food stuff would become a very difficult task. Watch the Taunton Daily Gazette for dates and time.

The Civil Defense Department will try to carry on as usual.

Sincerely,  
Robert B. Harmon

## **TOWN OF BERKLEY COMMUNICATION CENTER — 1986**

The Communication Center continues to be a very busy place answering calls twenty-four hours a day. The workload for the dispatcher on duty continues to increase with the growth of the town and the growth of the departments the Center serves. It is estimated that the Communication Department has answered in excess of 10,000 calls this year.

The dispatcher answers all emergency calls for the Police Department, Fire Department, which includes Ambulance calls, and the Highway Department. This is the primary purpose of the Communication Center. In addition to that we handled over 300 calls for the Dog Officer and innumerable calls for information and directions. Many people also stop by for information and directions. The town offices are still scattered throughout the town and citizens and visitors alike often seek assistance from this department. There is always someone here to help.

Currently, we are issuing Transfer Station Stickers for the Board of Health. Burning permits will be issued through May 1 and we continue to distribute Building and Wiring applications for permits.

The staff at the Communication Center is to be commended for the professional and courteous manner that they serve this community. I personally want to thank them for their cooperation. I would also like to thank the Administrators of the Communication Center for their cooperation; Highway Surveyor, Raymond Rose; Fire Chief, James Barrow; and Police Chief, David Mason. Finally, thanks to all the EMT's, Firefighters, Police Officers, and Highway Workers who do their best to make this community a safer place for the citizens of Berkley.

Respectfully submitted,  
Joan M. Halloran, Supervisor  
Town of Berkley  
Communication Center

**TOWN OF BERKLEY  
BERKLEY FIRE DEPARTMENT  
ANNUAL REPORT 1986**

In April, the position of full-time firefighter/EMT was filled by Kevin Partridge. This position was vacated by Frederick Wilbur who filled the opening of full-time patrolman in our Police Department. Mr. Partridge is a Registered EMT and has had Firefighter Level I Training.

The Town approved the addition of a second full-time man. Lance Smith was appointed; he is a Registered EMT and started on the Department in August. The addition of the second full-time man now enables the Town to have coverage for 15 hours of the day. Twenty-six Call Men, ten of them being EMTs, cover the remainder of the night.

The six pieces of fire apparatus and one ambulance have been kept in service with a continuous maintenance and replacement program. Over the many years these vehicles have been in service, usage and wear have taken their toll. The 1957 Ford, stationed in Myricks, can no longer be repaired if it should break down due to discontinuation of parts. The 1954 Ford will be kept up as long as can be. Hopefully, a new piece of apparatus will replace the 1957 and the 1954 can get minimal use.

Not far down the road the Department may face total discontinuation of regular gas. One supplier in the immediate area has since stopped. At this time, all vehicles with the exception of our tanker operate on regular gas. In the 1986 budget a request to repower the first line engine in the Common Station was voted down at the Annual Town Meeting.

I hope in the near future, the Town will consider repowering our main engines to diesel power. If within the next couple of years regular gas is phased out, it would leave the Town without adequate fire protection.

The Berkley Firemen's Association is currently conducting a fund-raising campaign to replace our fifteen year old ambulance. The new ambulance will put us up-to-date with the state-of-the-art equipment, which will enable our Emergency Medical Technicians to better serve the community.

## TOWN OF BERKLEY ANNUAL REPORT OF THE FIRE CHIEF

To The Board of Selectmen

As Fire Chief, I submit the following report for the year 1986. During the year, the Fire Department responded to 244 calls. They are as follows:

### FIRES:

Buildings	9
Brush and Grass	36
Motor Vehicles	25
Miscellaneous	15
Illegal Burning	2
Chimney	2
Extrication	1
Mutual Aid from Freetown	2
Mutual Aid to Dighton	1
Mutual Aid from Dighton	2
Mutual Aid to Taunton	2
Mutual Aid to Acushnet	1
Mutual Aid from Lakeville	2
<b>TOTAL</b>	<b>100</b>

### AMBULANCE:

To Morton Hospital	80
Other Hospitals	45
<b>TOTAL</b>	<b>125</b>

### TYPE OF CALLS:

House Calls	92
Auto Accidents	26
Miscellaneous	26
Mutual Aid to Dighton	5
Mutual Aid from Dighton	2
Mutual Aid to Freetown	1
Mutual Aid from Freetown	2
Mutual Aid from Raynham	1

Of these calls, 16 were "no transport"

I wish to thank the Firefighters and Emergency Medical Technicians for their dedication and support throughout the 1986 year. I also thank the Police Department and Highway Department for their support and ask that we continue to work together to keep Berkley a safe and beautiful place to live.

Respectfully submitted,  
James Barrow  
Fire Chief

BERKLEY BOARD OF HEALTH

Berkley Board of Selectmen  
Mr. George Moitoza, Chairman

Mr. Chairman and Members:

Regular monthly meetings of the Berkley Board of Health were held on the First Thursday of each month, at the Edward G. Canuel Primary School at 7:30 P.M.

During the monthly Board of Health meeting held in July 1986, reorganization of the Board of Health took place. The results of that meeting are as follow:

John Fernandes, Chairman  
Mary Flint, Member/Clerk  
Anthony Rose, Member

During the same meeting the following appointments were made:

Animal Inspector . . . . . In the process of appointing one  
Well Inspector . . . . . I. Frank Wallace  
Plumbing Inspector . . . . . Donald French  
Gas Inspector . . . . . Donald French  
Burial Agent . . . . . Francis Andrews  
Sanitary Inspector . . . . . Steven Rapoza  
Sanitation, Health and  
Perc Test Inspector . . . . . John Fernandes  
Soil Conservation Board . . . . . John Fernandes

At the October meeting the Board of Health Members appointed John Fernandes as Agent for the Board of Health.

The following permits were issued during 1986 by the Board of Health:

Pig Permits	1
Cesspool Pumping Permits	2
Installers Disposal Work Permits	29
House Inspections	72
Landfill and Container	Inspected Weekly

The Berkley Board of Health Chairman and Member would like to thank their various appointees for the fine manner in which they performed their duties, the Board of Selectmen for their help in the preparation for the installation of the water line in the area of County Street, Holloway Street and part of 79, and Mr. I. Frank Wallace, Building Inspector.

Respectfully submitted,  
John Fernandes, Chairman  
Mary Flint, Member/Clerk  
Anthony Rose, Member

## **TOWN OF BERKLEY CELEBRATIONS COMMITTEE**

At the request of the citizens of Berkley to continue some of the 250th Anniversary Celebration events, the Board of Selectmen appointed the Celebrations Committee.

Our two goals for 1986 were to install outdoor electricity on the Common for use by Town organizations and to initiate a Christmas decorating tradition on the Common.

Festival '86 netted \$593.59 profit. Ed Cayton, Ray Smith and Kevin Gouveia donated their time and talents to install the electricity on the outside of the Town Hall. Due to the cost of the materials necessary for the electricity our second goal was only partially met. Through the generosity of the Lions Club and donations from our committee members, we were able to place candles in the Town Hall windows and do some lighting at the Library.

In September our Committee organized a group to paint the Town Hall. The paint was donated by the Berkley Lions Club and the labor was donated by numerous civic-minded citizens. We thank you all!

Events planned for 1987 are Festival '87 scheduled for May 2, 3, and 4, 1987; a Living History weekend scheduled for September 18, 19, and 20, 1987 (sponsored in part by the Berkley Lions Club and the Berkley American Legion Post 121); and in December a holiday lighting ceremony.

We would like to thank the Berkley Lions Club for sponsoring us this year and for their continuing support. We would also like to thank the Common Place for their help. Also we would like to thank Jim Horton, Berkley Police Department, Berkley Fire Department, Berkley Cub Scouts, and Berkley Library Trustees for participating in the holiday decorations on the Common this past December.

Most of all we would like to thank the citizens of Berkley for supporting our efforts and we are looking forward to seeing all of you at our events in 1987.

Donna L. Benoit  
Diane G. Ennis  
Monica J. Francisco  
Nancy L. Gouveia  
Ann M. Holmes  
Ann M. Petit

## TOWN OF BERKLEY SRPEDD

During 1986 the Town of Berkley continued its membership in the Southeastern Regional Planning and Economic Development district. SRPEDD is a planning and economic development agency formed under state law to serve twenty-eight communities in southeastern Massachusetts by providing a cooperative approach to regional issues.

The District is governed by a Commission consisting of a chief elected official or designee and a planning board representative from each participating municipality and six low-income and minority representatives. There are presently no appointments from the Board of Selectmen's Office or the Planning Board for the Town of Berkley.

The agency's purpose is to plan for regional land use, economic development, housing, transit, transportation, solid waste, energy resources and conservation, and air and water quality. Local participation in these regional plans enables communities to be eligible for federal and state dollars.

In addition to regional planning and economic development, SRPEDD assists member cities and towns. Through the free municipal assistance program, each community receives time for local projects and assistance in preparing applications for federal and state funds.

Services to Berkley this past year included:

- SPREDD reviewed a proposed zoning bylaw amendment.

Regional plans and other activities conducted this year benefiting all communities included:

- Approval of over \$21 million in regional grant applications to federal and state agencies and of over \$11 million in Industrial Revenue Bonds.
- Environmental assessment reviews of state and federally funded projects, and reviews of all local zoning amendments. The reviews are advisory and are oriented toward making proposals more cost-effective and feasible.
- The annual update of the **Overall Economic Development Program (OEDP)** which makes member communities eligible for U.S. Economic Development Administration funding and a 10 percent bonus for public facility projects.

- The annual update of the **Transportation Improvements Program (TIP)** which lists major projects in each community for federal and state funding. A project must be included in the TIP in order to be eligible for these funds.
- Conducting a community education effort on the safe handling of industrial hazardous wastes under a contract with Southeastern Massachusetts University.
- The Energy Advisor Service, under which SRPEDD markets energy audits at a subsidized rate to companies, continued as a service in 1986.
- The District has provided the two regional transit authorities (SRTA and GATRA) planning technical assistance. Surveys of ridership to determine purpose of trips, number of trips, location of residence and work place and need for expanded services were conducted. Commuter rail service to the District was also analyzed for its existing use and future expansion. The development for providing handicapped accessible transit service was also a prime concern.
- SEED, South Eastern Economic Development Corporation, established and staffed by SRPEDD, provides low-interest, long-term financing to small businesses in southeastern Massachusetts through the U.S. Small Business Administration's "504" Program and a \$1 million revolving loan fund. In 1986 SEED assisted eleven businesses which resulted in total investments of \$5.4 million and created 225 jobs.
- SEED Corporation also received a grant to develop a regional small business incubator, which will be located in Fall River's Industrial Park. This facility will provide rental space and support services for small businesses in their early years.

SRPEDD represents the collective will of its member communities. As the responsibilities and problems of municipalities become increasingly complex, the District can provide technical assistance to local boards, encourage cooperation among communities, and provide a comprehensive approach to issues that cross local boundaries.

**TOWN OF BERKLEY, MASSACHUSETTS 02780**  
**Historical Commission Bicentennial Commission**

Report of the Historical Commission for 1986

During 1986, Commission members identified land boundaries, deeds to dwellings and archaeological sites. Visitors from as far away as Missouri were taken to historic sites, cemeteries and to the homes of their ancestors.

A nationally important overmantel painting by Dr. Rufus Hathaway (Circa 1790) from the Abel Crane house on Berkley Street was removed and sold at auction. The painting had been carefully preserved by the Crane, Babbitt and Desautel families and was an important part of our town history. Commission members were asked to verify and correct historical information complied by the consignor of the painting to the auction.

The Massachusetts Department of Public Works asked for information about the Berkley Bridge corridor and the Historical Commission supplied data on houses, mills, shops and fishing privileges.

Old cemeteries on private land must be kept intact. The remains can only be removed under supervision.

The Commission continues to photograph buildings, sites and our senior citizens.

Respectfully submitted,  
Emma Allen  
Marion Stetson  
Blanche E. Trzcinski, Chairman

## **BERKLEY POLICE DEPARTMENT**

### **Annual Report 1986**

During the past year the Police Department has grown, with your support, to meet the needs of our growing Town. Two fulltime patrolmen were hired in 1986 and each completed the required 560 hours of training. Frederick D. Wilbur graduated in September from the New Bedford Police Academy and John J. Bell graduated first in his class from the Plymouth Police Academy.

The top priority of the Town must be a Public Safety building. The increased number of personnel, the marked increase in calls handled and criminal investigations, the use of dispatchers for our public information center and the Selectmen's secretary using the booking room as an office have all resulted in extremely cramped operations in the trailer. If you have visited the police trailer to pick up a landfill sticker, fire permit, building or electrical application, or just for information, then you know how difficult it is to move around in the tight quarters.

Separation of criminal proceedings and public safety operations from the general public is extremely important for safety, privacy and liability. Office space is needed for the department heads and secretary, meeting and training room for public safety personnel and investigation rooms for police officers. This trailer was to have been a temporary building 4½ years ago but a new structure is needed to accommodate everyone. It is important that we spend more time on investigations but we need the facilities and equipment in addition to manpower in order to do this.

My sincere respect and thanks go to the police officers and dispatchers who have worked hard to support the police department. I also thank the Selectmen, Fire Department, Highway Surveyor and Town employees and organizations who have worked with us during 1986. I look forward to everyone's support at Town meeting and through the next year. This is your Town and your police department.

Respectfully submitted,  
David M. Mason  
Chief of Police

## TOWN OF BERKLEY

### ANNUAL REPORT OF THE HIGHWAY DEPARTMENT

The Town of Berkley has changed from our last annual report. Look around and see what progress has done to Berkley. It looks like a battlefield. Once a quiet little town, Berkley has become "Dug Up City." Nature has been destroyed and it will take decades for Berkley to recover.

When I first became Highway Surveyor, Berkley had an automobile count of approximately two thousand cars a day. Now most of our main roadways carry over two thousand autos a day and some over three thousand.

Berkley's streets were never laid out and most of them are only widened Indian trails. Again just look around and you will see I'm not dreaming. No engineer would ever draw up narrow, crooked roads, would they? These roadways were never designed to carry our traffic count, plus the heavy loads. Due to progress, road foundations are collapsing and our oil sealed roads are becoming sink holes. Berkley has little or no drainage system, and people are using the streets as a drainage ditch, which makes you wonder whether to use a car or a boat to pass safely.

I could tell you how much progress the Highway Department has done over the past year, but there is so much more that could be done. We have only two full-time and one part-time employee to keep town streets passable. Did you know Berkley is the smallest town in Bristol County, but we have more running gravel roads than any other town? Eight years ago I proposed to asphalt one mile of dirt road each year, but it seemed not necessary at the time. Look around and you will see all the new houses on gravel roads. Berkley still has over twenty-five percent of its roadways only graveled instead of asphalt. This means six months of the year the Highway Department is scraping, graveling, reconstructing, mudding, dusting and whatever to make them half passable.

As Highway Surveyor of Berkley, I keep a wish list for town residents. Everybody seems to come up with "what if" or "could you" problems for me to solve. Believe me, this list could fill this town book and then some. We appropriate only the basic highway budget to run this town and the extras seem hard to appropriate. Remember, Berkley is a no thrill bedroom community and all of us will have to pay our taxes.

Other than that, the time is going by too fast. The Highway Department has functioned very well. Maybe this is a negative report to some residents, but most people understand I speak what I feel.

I thank the townspeople for letting me serve them in the past. Again, just look around. Maybe I just got up on the wrong side of the bed, or maybe I'm tired of seeing Berkley destroyed by progress.

Respectfully submitted,  
Raymond D. Rose  
Highway Surveyor & Tree Warden

## ANNUAL REPORT BERKLEY SOIL CONSERVATION BOARD

The Berkley Soil Conservation Board consists of the following members:

Raymond D. Rose, Chairman

John DeOliveira, Member

Happy Bourque, Member

Raymond W. Flint, Member

George Moitoza, Member

Robert Flavin, Member

John Fernandes, Member

Gravel permits were granted by the Berkley Soil Conservation Board in 1986. Owner of pit, operator and location:

K. R. Rezendes Inc. of Sammy Lane, Assonet, MA; pit location - Rt. 79, Myricks; Operator - K. R. Rezendes Inc.

Gene Flint, Babbitt Way, Berkley, MA; pit location - 7 Babbitt Way; Operator - Gene Flint.

Town of Berkley, 3 No. Main St., Berkley; pit location - 3 No. Main St.; Operator - Town of Berkley, Highway Dept.

D. J. Moitoza, 81 Bay Road, Norton, MA; pit location - Bryant St.; Operator - D. J. Moitoza.

Roy Busse, Jr., Berkley St., Berkley, MA; pit location - Berkley St.; Operator - Manuel Nunes, Anthony St., Berkley.

New regulations for removal of gravel added to our present regulations:

Fees: Operating Fee to be \$.08 (8 cents) per yard removed. Fee to be paid annually in advance. Operator is responsible for estimating annual removal before permit or renewal is granted. Any overestimates may be applied to next year's fees and underestimates must be paid before removal.

Bonds: A performance bond of \$5,000.00 (Five thousand dollars) per acre of operation will be required. Bonds must be presented to the Board before any operations begin and shall remain in force until such time as the Board finds that operation is complete and has been restored to a useable condition and all operating fees have been paid to the Town.

Engineering Requirements:

Plot plans shall be prepared by a Registered Professional Civil Engineer or Land Surveyor.

Plans to contain a topography showing the present contour and proposed final contour. Contour lines to be shown at two (2) foot intervals.

All boundary lines to be clearly shown on the plan and permanent boundary markers placed on the site.

Elevation of water table to be established and no excavation to be below 7 feet above the water table.

Plan to show relationship to and existing wetlands and/or floodplain.

A final topographical survey shall be required to finalize operating fees before bond is released on a closed operation.

#### **Inspections:**

Annual inspection shall be done by all Board members before renewal is granted.

Periodic inspections shall be done by a committee of three (3) appointed by the Board. At least 2 members are required to be present to make an inspection valid.

#### **Applicability of Regulations:**

Any removal of over twenty (20) yards of material from a site or construction site shall require a determination of applicability of Soil Removal By-Law and Regulations by the Soil Conservation Board or its Designee.

All exceptions that are provided by By-Law or General Laws shall be honored.

Respectfully submitted,  
Raymond D. Rose, Chairman

## BOARD OF SELECTMEN ANNUAL REPORT

The Board of Selectmen would like to submit its report for calendar 1986 to the citizens of Berkley; 1986 was a year of unprecedented growth in all aspects of Town Government.

During 1986, the largest annual budget in the 251 year history of the Town was voted (2.8 million dollars). The Town voted to appropriate \$7.3 million dollars for an addition to the Middle School on South Main Street. This will be funded by a bond issue and it is expected to be 75% reimbursed by state funds.

Also, during 1986 the Police Department was expanded from two to four full-time personnel resulting in full 24-hour 7 day-a-week coverage. The Fire Department was also expanded to three full time EMT firefighters to help cover the hours when call personnel are least available and to reduce response time. A pickup truck was acquired for the Dog Officer through the cooperation of Highway Surveyor, Raymond Rose. This has greatly expedited the pick-up of stray dogs and other animals.

Continental Cable T.V. completed its installation in Berkley and reported to this Board that 550 homes availed themselves of cable T.V. service as of December 31, 1986.

Algonquin Gas completed an additional 12-inch gas pipeline through Berkley in 1986.

A Board of Water Commissioners was elected in 1986 and approximately 7,500 feet of water main were installed in the Myricks area. The total cost of this project was borne by Waste Management, Inc. as a result of a consent decree in Superior Court as a partial solution to the pollution of the groundwater in the area.

During 1986 Town employees elected in an election supervised by the Massachusetts Labor Relations Board to have the Berkley Employee's Association represent them as a Bargaining Unit.

Special Permit activity continued in 1986 with 23 applications being filed. The Board granted 18, denied 3, and 2 are still pending.

### Special Permits Granted

1. Edward and Nancy Camara, 11 North Main Street - to store 1,500 gallons fuel above ground.
2. Edward and Nancy Camara, 11 North Main Street - to store 16,000 gallons fuel below ground.

3. Algonquin Gas - to cross Berkley & Elm Streets with 12-inch pipeline.
4. Raymond Heroux, Berkley Street - to operate paint and wallpapering business.
5. Randy Antonelli, Anthony Street; Gun Shop
6. Giovanni D'Angello, Sanford Road; Woodworking Shop
7. Steven and Mary Maden, 1 Macomber Street; Antique Shop
8. Jeannette Choate, Berkley Street; Crafts Shop
9. Algonquin Gas, Forest Street; to cross with 12-inch pipeline
10. John Tibbetts, Myricks Street; Used Auto Repair & Sales
11. Joseph Carlos, Plain Street West; Second dwelling on lot
12. Nancy Medas, 65 North Main Street; to prepare Stuffed Quahogs
13. William Cassel, Myricks Street; Beer & Wine Package Store
14. New Bedford Cellular, Bryant Street; Telephone Tower

Ribak & Shane, 48 Locust Street; War Games

Richard Alves, 59 Locust Street; Greyhound Kennel (Application withdrawn)

### **Special Permits Pending**

Allan & Maria Alves, County Street; Pizza Parlor

Jorge Garcia, David Way; Blacktop business

Berkley-Dighton Bridge project is continuing with Massachusetts Department of Public Works working the Environmental Impact Statement and preliminary designs. Congressman Barney Frank along with State Representative Roger Tougas and Senator John Parker have kept us informed as to its status.

Our regular financial audit that is required every three years was successfully completed by Malone and Tandler of Brewster, Massachusetts and will be published in another section of this report.

The Personnel By-Law Committee have contracted with the Massachusetts Municipal Association and a proposed By-Law and Regulations have been drafted. It is expected to be presented at the 1987 Annual Town Meeting.

Office space for Town officials has continued to be a serious problem and will become more critical in July of 1987 when the last room available will be converted to a classroom in order to alleviate crowding problems in the school system. It is hoped that with the construction of an addition to the Middle School, that the Canuel School at Berkley Common will become an office building.

In closing, we like to remind residents that our meetings are open to the public and are normally held at 7:00 P.M. each Thursday night in the Canuel School (until July). All are welcome to attend. We welcome your comments and input so that we can best serve the needs of the Town.

George A. Moitoza, Chairman  
Raymond W. Flint, Clerk  
John A. DeOliveira, Member

### COMMENTS

This year for the first time since the early 70's we ran out of available funds and borrowed 50,000.00 from stabilization to keep us out of the red till taxes started coming in. If the tax rate is not set earlier or free cash not exhausted at Town Meeting, borrowing will become a normal way to conduct our affairs.

When Town funds are not available at the normal time, we lose in two ways, Number one, we lose any interest we might have earned if the money was invested and Number two, it costs money to borrow.

A community that is financially sound gets a full \$10.00 of product for each \$10.00 spent but a community that has to borrow only gets \$8.00 of product for each \$10.00 spent. Keep this in mind while spending at Town Meeting.

I'd like to thank all who helped this office and staff in any way to ease the work load through-out the year.

Respectfully submitted,  
Alfred Townley III CMCT  
Collector-Treasurer

# OFFICE OF TOWN ACCOUNTANT

## Kindergarten Registration

1. To enter kindergarten, a child must be five (5) years of age by September 1.
2. A birth certificate must be presented at registration.
3. A doctor's certificate of immunization against diphtheria, pertussis, tetanus, measles, and poliomyelitis, unless exempted for medical reasons, must be presented at registration time.
4. A recent physical examination recorded on the Massachusetts Health Form by the child's doctor must be completed.
5. Following the registration, appointments will be arranged for a hearing and vision evaluation at school.

## Health Policies

1. In case of illness, a doctor's certificate is only necessary for communicable diseases or if specifically requested by the school.
2. No student will be allowed to bring medications to school unless the school nurse has a doctor's order specifically stating the name of the medication, dosage, time to be given, the student's diagnosis, and the necessity of taking the medication during school hours. The doctor's order should be accompanied by a signed and dated note from the parent requesting the administration of the medication. A final check with the physician will be made by the school nurse.
3. Transportation of a sick child is the responsibility of the parent and only in an emergency will the school provide transportation.
4. Vision and hearing screening tests are conducted annually.
5. Physical examinations are given yearly in grades four (4) and eight (8).

## Pediculosis Policy

It is the policy of the school committee to send pupils home from school for treatment if they are found to have pediculosis.

A pupil who has pediculosis shall be sent home from school by the principal or his designee. Parents are responsible for transportation.

Readmission to school is subject to approval by the school nurse. A student may be readmitted to school the day after he/she is sent home. If pediculosis is discovered in a pupil on three (3) occasions, the fourth (4th) incident will require a certificate from a physician.

School Notes

When a student is absent from school, he/she is expected to bring with him/her a written excuse from a parent explaining his/her absence.

A request for dismissal before the end of the school day should be made in person or in writing by the parent.

The principal’s office, located at the Berkley Middle School, is open from 7:30 A.M. to 4:00 P.M.

SCHOOL HOURS

Primary	9:20 A.M. to 3:20 P.M.
Middle	8:35 A.M. to 2:35 P.M.

Students, who are not transported to school by bus, should arrive at their respective school fifteen (15) minutes before the start of classes.

NO SCHOOL — INCLEMENT WEATHER INFORMATION

During the winter when we have snow or ice storms, the decision as to whether we have a late-start day or no school will be broadcast on the following radio stations between 5:30 and 6:30 A.M.

WPEP	Taunton
WALE	Fall River
WJAR	Providence
WRLM	Taunton
WARA	Attleboro
WEAN	Providence
WSAR	Fall River
WPRO	Providence
WHIM	Providence

There could be a “late-start day” announcement followed in an hour or so by a “no school day” if there is a change for the worse in the weather conditions.

## **Emergency Situations**

Parents should be aware that emergencies may arise while students are in school. Due to the emergency, students may be released early. We will place such announcements on the radio; however, all parents may not be notified. It is very important that parents make arrangements for the shelter and supervision of their child in case of such emergencies. Neighbors or relatives should be notified and students should know what to do if parents are not at home.

## **Transportation**

Bus transportation is provided for our students in grades K-12. Bus rules for students have been established by the School Committee. A student must not abuse the privilege of riding to and from school by misbehavior. The enforcement of bus rules is the responsibility of the bus driver. An infraction of the bus rules will be brought to the attention of the pupil(s) involved by a verbal explanation and warning by the driver. If a verbal warning is not sufficient, the driver will complete a written report. A pupil may be placed on probation if, in the judgment of the principal the student's behavior has been unacceptable. A pupil shall lose his/her privilege of riding on the bus for serious infractions which affect the safety of the driver and other youngsters on the bus or for acts of deliberate vandalism.

**School Calendar**  
**As Approved by School Committee**  
**1986 - 1987**  
**BERKLEY**

**Berkley Primary and Middle Schools**

School Opens September 2, 1986	
Closes December 19, 1986	74 days
School Opens January 5, 1987

Total	180 days

**School Will Close on the Following Days:**

- October 13, 1986 — Columbus Day
- November 10 & 11, 1986 — Staff Development Day and Veterans’ Day
- November 27 & 28, 1986 — Thanksgiving Recess
- January 19, 1987 — Martin Luther King, Jr. Day
- May 25, 1987 — Memorial Day

## **Report of the Superintendent of Schools**

To The Citizens of the Town of Berkley:

I herewith submit my tenth report as Superintendent of Schools.

This report covers the events and activities which occurred during calendar year 1986.

The highlight of the year was the approval by the voters of the Building Committee's proposal to add additional facilities and renovate the middle school to house grades K-8. A great deal of time and effort were spent on submitting the proposal to the voters. Many people played very important roles. However, the Building Committee deserves special commendation. The members of the Building Committee are: William Bassett, Francis H. Boudreault, J. Leo Conroy, Raymond Francisco, Elizabeth Gooch, Richard Gracia, Raymond Rose, George Sherry, and Raymond Smith.

Much work must be done before the new facilities will be available. However, the anticipation of finally having adequate, appropriate school facilities to house the programs offered to meet the needs of today's youngsters will make all the trials and tribulations bearable.

Everyone connected with the school system is aware that adjustments in the daily routine at school will be required during the construction phase of the project. Parents and citizens must also be aware that they may be required to make adjustments to accommodate those changes. The prospects of all pupils in grades K-8 under one roof in appropriate facilities is really exciting.

### **Curriculum**

The Project Program, utilization of the teaching staff in leadership roles, is working very well. These pages have chronicled the success we have achieved in communications skills, health and physical education, mathematics, computer education, and basic skills. The success we are achieving is the direct result of the cooperation and support of the teaching staff. They have acknowledged that change was necessary, contributed their talent and effort to making those changes, and then implemented those changes in their classrooms. It is more work. However, the end result makes it worthwhile.

Berkley teachers have been commended by outside observers for their commitment and use of the computers in their classrooms. As

with all “new” approaches to education, some teachers have recognized more than others how valuable the computer can be as another tool for the teacher in the learning process. The youngsters in grades K-8 have many excellent computer oriented opportunities as a result of the leadership of Mr. Canuel and Miss Medeiros and the active involvement of a significant number of teachers in the programs available in the South Coast Education Collaborative Tech Center.

The Tech Center has expanded to include Somerset and Fall River and is currently housed in facilities at the North Middle School in Somerset. The Tech Center was the recipient of two federal/state grants, one to provide an assistant director and the other to construct a computer assisted instruction program. You will be hearing more about the computer assisted instruction program later this year. The Tech Center, under the direction of Dr. Martin Huntley, has been an excellent resource for your staff and student body.

Each year the School Committee establishes a Mission and Goals statement as the focus for the year. The 1986-87 Mission and Goals follow:

## **Mission**

To continue to work with the community for the acceptance of excellence in education as a desirable and attainable goal.

## **Goal I**

To continue development of a true spirit of cooperation and mutual respect within both our school and our community.

To continue to support the staff development project under the leadership of the administrative team and four coordinators, utilizing a Union/Region-wide needs survey.

To encourage, support, and coordinate the NEASC evaluations of the elementary and middle schools.

To establish a self-supporting summer school program for students which will provide maintenance, enrichment, and remedial programs.

To continue to improve cooperation, coordination, and communication with selectmen and finance committee.

To help foster the valuable use of more volunteers in the schools.

## Goal II

To provide ongoing support to the Union/Region Curriculum Project.

To continue to support the implementation phase of the communication skills, mathematics, health, and physical education projects.

To coordinate, investigate, and develop appropriate early childhood, pre and primary education programs for both regular and special needs children (under Chapter 188 and SPED allocation grants).

To begin planning for projects in the areas of science, social studies, and gifted and talented education for major involvement during the 1987-88 academic year.

To study the extracurricular activities program with goals toward improvement.

I call your attention to the report of Mr. Canuel which follows.

### **REPORT OF EDWARD G. CANUEL, PRINCIPAL EDWARD G. CANUEL PRIMARY SCHOOL BERKLEY MIDDLE SCHOOL**

I hereby submit my seventeenth annual report as principal of the Berkley Schools.

## School Facilities

After nearly a year and a half of meetings, the Building Needs Committee submitted its recommendation to the townspeople. In August, a positive vote was obtained for a bond issue to provide an addition to the Berkley Middle School to house grades K-8. This favorable approach to our problems of increasing enrollment and lack of facilities allows Berkley citizens to see a solution in the near future.

However, we face space problems for the next two years. In order to avoid very large classes, solutions are needed to provide necessary space for classrooms and programs. Moreover, with the construction phase of the addition, we also face disruptions and distractions in

carrying out our educational programs. With our students, teachers, and parents' understanding, cooperation, and support, we can survive this difficult period.

## **School Evaluation**

The Berkley Schools, as a member of the New England Association of Schools and Colleges, are required to undergo a self-study and formal evaluation of its school system. The self-study will include the creation of a School and Community Report, the development of a statement of Philosophy, and a comprehensive assessment of all educational programs and services within the school.

A Steering Committee composed of: Sherry Medeiros, Chairperson; Joan Behmke, Mona Keane, Theresa Wilson, and Edward G. Canuel will direct the school's efforts during its self-study and the subsequent on-site visitation by a team of professional educators.

The evaluation is a very intensive study which will determine the extent to which our teaching and learning activities carry out the schools' philosophy and goals. It will lead to the accreditation of our schools by the New England Association of Schools and Colleges.

## **Massachusetts State Assessment Testing Program**

Under Chapter 188, two statewide testing programs have been initiated this year. Last spring, all Massachusetts schools took the Massachusetts Educational Assessment Program Tests and this fall, our students took the Massachusetts State Basic Skills Test.

The assessment testing program focuses on program improvement in the major curriculum areas. All Massachusetts students in grades 3 and 7 were tested in Reading, Mathematics, and Science. Berkley's results in grades 3 and 7 were above the state average in Grade 3 Reading and Mathematics and Grade 7 in Science. We were at the state average in Grade 7 Reading. We were below the state average in Grade 3 Science and Grade 7 Mathematics.

In general, Berkley's scores showed little variation at each grade level which seem to indicate a balanced emphasis on all curriculum areas and a consistent achievement by students. The assessment test is not the ultimate measure of achievement, nor a judgment in the effectiveness of teaching, nor a prediction of the future. It provides useful

information on how a particular group of students performed at a particular time in a wide range of skills.

This fall, our students in grades 3 and 6 were administered the Massachusetts Basic Skills Tests in Reading, Writing, and Mathematics. Basic Skills are defined as the skills in Reading, Writing, and Mathematics that allow students to participate successfully in their regular grade classwork. This testing program is designed to identify students needing assistance in mastering basic skills in these areas. We expect the results in early 1987.

## **Curriculum**

The extensive project work in curriculum continues during this school year. The projects that have been completed are being implemented. This school year we begin with the extension of our Communication Skills Project in grades 4-6 and Health in grades K-3. With this effort, we are fully implementing these projects.

We also have made strides in our Mathematics Project and will see the beginning of the Science Project.

Our curriculum has been helped through several grants which enable us to supplement our budget in regards to supplies, equipment, and services. This year we have received monies from the School Improvement Fund, Equal Educational Opportunity Grant, Horace Mann, Chapter I, and Chapter II.

I also would mention the Computer Technology Center which is housed at the North Middle School in Somerset. This educational center provides our teachers and our community with in-service programs and resources that are very valuable in the development of our computer programs.

## **Conclusion**

As I conclude this report, I wish to single out the following individuals and organizations:

Congratulations to our Staff Persons of the Month: Joanne Hadley, Joan Behmke, Melissa Smith, and Mary Kimball. They were selected by their peers for their contributions and efforts to our school system.

We are also proud of our Students of the Month. These students are selected monthly by their teachers for their efforts, attitude, performance, and good citizenship.

Our Berkley Parent-Teacher Organization, The Berkley Police Association, and the Berkley Library Trustees and Librarian continue to be helpful and supportive of our students.

Our School Improvement Council members have devoted a great deal of time and effort to help us direct the School Improvement Fund.

Finally, the Berkley School Committee, Dr. Joseph C. Harrington, Sherry Medeiros, teachers, school personnel, cafeteria personnel, and office staff have given me their cooperation and encouragement. Our students and parents have also helped make the 1986 school year successful.

Respectfully submitted,  
Edward G. Canuel, Principal  
Berkley Schools

## Conclusion

As a result of the extra effort of the staff and the cooperation of the parents, we continue to provide outstanding educational programs under very taxing circumstances. The renovations to the old town hall to accommodate your kindergarten program is but one example of band-aid type solutions to housing problems. We will continue to have these types of problems during the construction of the new/renovated facilities. However, the problems for grades K-8 will be solved when the new facilities open in January, 1989.

Earlier, I commended the Building Committee for its extra effort and time. Your School Committee also deserves equal commendation. Their willingness to give their time in the interest of the needs of the school children of Berkley is very commendable. They, by their efforts, have earned your thanks and appreciation.

I continue to enjoy my responsibilities as your superintendent. My job is made easier by the commitment of Mr. Canuel and the support and assistance I receive from the central office staff. Their talent and ability make a very complex operation run very smoothly. Much is asked of them every day and they always respond. Effective solutions are found to resolve all types of problems. My thanks and appreciation to them and to the school committee for their support and understanding.

Joseph C. Harrington, Ed. D.  
Superintendent of Schools
